

DM517 – Fall 2014 – Weekly Note 13

Delayed weekly note

I was in France last week and forgot to make the note, sorry.

Exam

The exam is December 19th 10-14. You must be there no later than 9.00 to set up your computer. Remember to read the documents concerning the exam on Blackboard (under announcements)

Lecture December 8, 2014:

- Sipser page 220-226 (rest of Section 5.1)
- Section 5.3
- General tips for the exam

Extra class December 15, 2014:

This will be in U49C 14-16 Here I will answer any questions you may have concerning the exam and show how to solve some exam problems. You may propose some that you want me to explain, but I must know no later than monday morning which ones it is.

Exercises December 10, 2014:

- Exam 2007 Problems 3,4,5,6
- January 2010 Problems 1 and 6
