

Cryptology – E16 – Lecture 18

Lecture, December 5

We finished with the slides on zero-knowledge and covered more of chapter 21.

Lecture, December 12

We will continue with chapter 21, concentrating on sections 21.3 and 21.4.

Lecture, December 19

We will cover chapter 22 and discuss the exam.

Problem session December 13

Consider the last sentence in section 21.3.7. How do you prove these things?
We will continue with the problems from last time.
