

DM19 – Algorithms and Complexity

E05 – Lecture 15

Announcement:

The sign-up sheets for the oral exam are in IMADA's departmental office. The exam questions are the same as last year and are on the course's home page. Note that the exam will be January 25 through January 27.

Lecture, December 14

We finished with heuristics from the notes and began on on-line algorithms, also from the notes.

Lecture, December 21

We will finish with on-line algorithms.
