

DM551/MM851 – Algorithms and Probability – 2020

Lecture 13

Lecture, October 29, in U20

We covered section 11.3.3 in CLRS.

Lecture, November 2, online

We will begin on network flows from chapter 26 in CLRS. There are slides for this topic. We will also do a midway evaluation.

Lecture, November 5, online

We will continue on network flows and minimum cuts from chapter 26 in CLRS. There are slides for this topic.

No problems on this note
