DM553 – Complexity and Computability – 2018
Lecture 2

Lecture, February 8

Jørgen Bang-Jensen lectured, beginning with an introduction to the course. He did not cover chapter 0 of the textbook by Sipser, but you are advised to read parts which you are unfamiliar with or do not remember. He covered sections 1.1 (fairly quickly) and section 1.2 in chapter 1.

Lecture, February 9

The discussion section will be converted to lecture. We will cover section 1.3 and possibly start of section 1.4.

Lecture, February 14

We will finish chapter 1.

Problems to be discussed on February 15

Note that this was scheduled as lecture, but will be discussion section.
