DM553 – Complexity and Computability – 2018
Lecture 5

Lecture, February 20

We covered section 2.1 and up through and including Lemma 2.21 in 2.2 from chapter 2.

Lecture, February 27

We will finish section 2.2 and cover section 2.3 (and then skip the remainder of chapter 2).

Lecture, March 1

We will begin on Turing Machines from chapter 3, covering section 3.1 and beginning on 3.2.

Problems to be discussed on February 28
