

Introduction to Computer Science E03 – Lecture 13

Announcement 1 (repeat)

You can learn about career possibilities at KarriereKick, December 1, 15:00–17:00. There is information about it at

<http://www.sdu.dk/Nat/fak/projekter/karrierekick/index.php>.

Lecture, November 24

Jørgen Bang-Jensen lectured on graph problems and heuristics.

Lecture, December 1

Brian Vinter will lecture on the Grid computer.

Lecture, December 8

Klaus Meer will lecture on neural networks from section 10.4 in the textbook.

Discussion section: week 49

Discuss the following in groups of two or three.

1. Brug NorduGrid tutorial <http://www.nordugrid.org/slides/20030510-balazs.pdf> til
 - (a) At generere et certifikat som ville kunne blive signeret af CA

(b) Installer standalone grid-pakken

2. Do the exercises on protein folding at:

www.imada.sdu.dk/~vinter/ExploreScience
