Introduction to Computer Science
E05 – Lecture 5

Lecture, September 15

We covered through section 3.4 of chapter 3. This lecture will be in U6.

Lecture, September 19

During the first hour, Peter Kornerup will lecture on networks from chapter 4.
During the second hour, I will lecture on algorithms from chapter 5, probably
covering through section 5.3. Monday lectures starting on September 19 will
be 10:15–12, while discussion sections will be 8:15–10.

Lecture, September 22

We will finish chapter 5 on algorithms and begin on sections 3.5 and 4.5 on
security. This lecture will be in U6.

Announcement

International Dag på SDU

torsdag den 29. september 2005 på Campustorvet

Information om studie- og praktikophold i udlandet
