Re: Evaluation of DM526 in fall 2011:

I taught the course, DM526, Introduction to Computer Science, in the fall semester of 2011. This is a first-year course, so a course evaluation was performed, and 23 of the students filled out evaluation forms.

Overall the evaluation of DM526 gives no indication that there should be major changes to the course. It would be nice if one could find a better textbook, but I have not found anything better yet.

Sincerely,

Joan Boyar
