Studieudvalget ved IMADA

Announcement

Slides from Ebbe Skak Larsen's lecture are on the course's homepage, as are questions for the exam and reports from those students who have again e-mailed them to me. The sign-up lists for the exam are in IMADA's sekretariat.

Discussion section, May 18

We will continue with the problems in section 7 (from weekly note 10) which we haven't finished yet.
